PADRON CIGARS

The Padron family has been making premium cigars since 1964. Today Padron Cigars are handmade in their facility in Nicaragua. These exquisite smokes are blended from carefully aged tobaccos and produce cigars that are considered by many to be the finest in the world. The 1964 Padron Cigar uses four year-old tobaccos resulting in a smoke that is smooth as silk. Treat yourself to a Padron cigar today, but understand after enjoying one it may be hard to smoke anything else!
