New in the Humidor

OVER 400 cigars to choose from.
10% off the purchase of any 12 cigars. Mix or match.

The Cohiba Blue is being heralded as an approachable, everyday cigar that will give the avid cigar smoker an affordable price point for the iconic Cohiba brand. It uses a blend that is heavily Honduran. The wrapper is a gorgeous silky smooth Sun Grown Honduran Olancho San Agustin, with a binder made from Honduran Habano leaves while the filler uses a combination of Dominican Piloto Cubano, Nicaraguan Habano and Honduran hand chosen tobacco. The cigar is being made at the General Cigar Dominicana factory in Santiago, Dominican Republic. This cigar is medium bodied and destined to be a humidor selection and a great gift for Fathers Day.
